If you have an electronic item that is not listed above, please call 573-874-7574 to check if the item will be accepted.

Disposal Information:

Incoming items are sold or demanufactured. Most items are sold wholesale to local computer stores to be resold. Some items are given to nonprofits (Boys/Girls Club, 4-H, smaller schools/churches). Items are demanufactured in Columbia with the exception of monitors and TVs which are demanufactured at D-Cal Services in St. Louis. Metals are sold to Advantage Metals in Columbia. Circuit boards are usually sent to Redlin in Canada. All items are recycled including screws, plastic, paper and cardboard boxes. No computer items are landfilled.

Hard drives can be destroyed at the collection site upon request.

MID-MO RECYCLING DOES NOT EXPORT MATERIALS OVERSEAS.

Mid-Mo Recycling is a certified E-waste Recycler through the Missouri Department of Natural Resources E-waste certification program. Additional information is available at www.ecyclemissouri.org
